**Subject:** Support for Jan Clewett

Hello Kaye,

I am happy to confirm that the evidence that Jan Clewett has submitted to support her application for FET5600 credit, has been her own work.

She has participated in the Advanced Pedagogical Licence community during which time she constructed support for her portfolio and accreditation. This evidence is based on her construct of the value of ICT in supporting sound pedagogical practice in her teaching practice, and items demonstrating this practice in her classroom.

If you wish any further information, please do not hesitate to contact me.

Kind regards,

Wendy Fasso
