Subject: Support of Jan Clewett's application for credit for FET5600

Hello Kaye

I am happy to confirm that the evidence that Jan Clewett has submitted to support her application for FET5600 credit, has been her own work.

She was asked to jointly facilitate this CIC course, after successfully completing the EQ Mentoring online course written by Michelle Williams.

She facilitated the CIC course with 4 other facilitators, working closely together. The work in MJ's group is as she has stated. She had responsibility for her own group within that partnership.

If you wish any further information, please do not hesitate to contact me.

Kind regards
Monika
